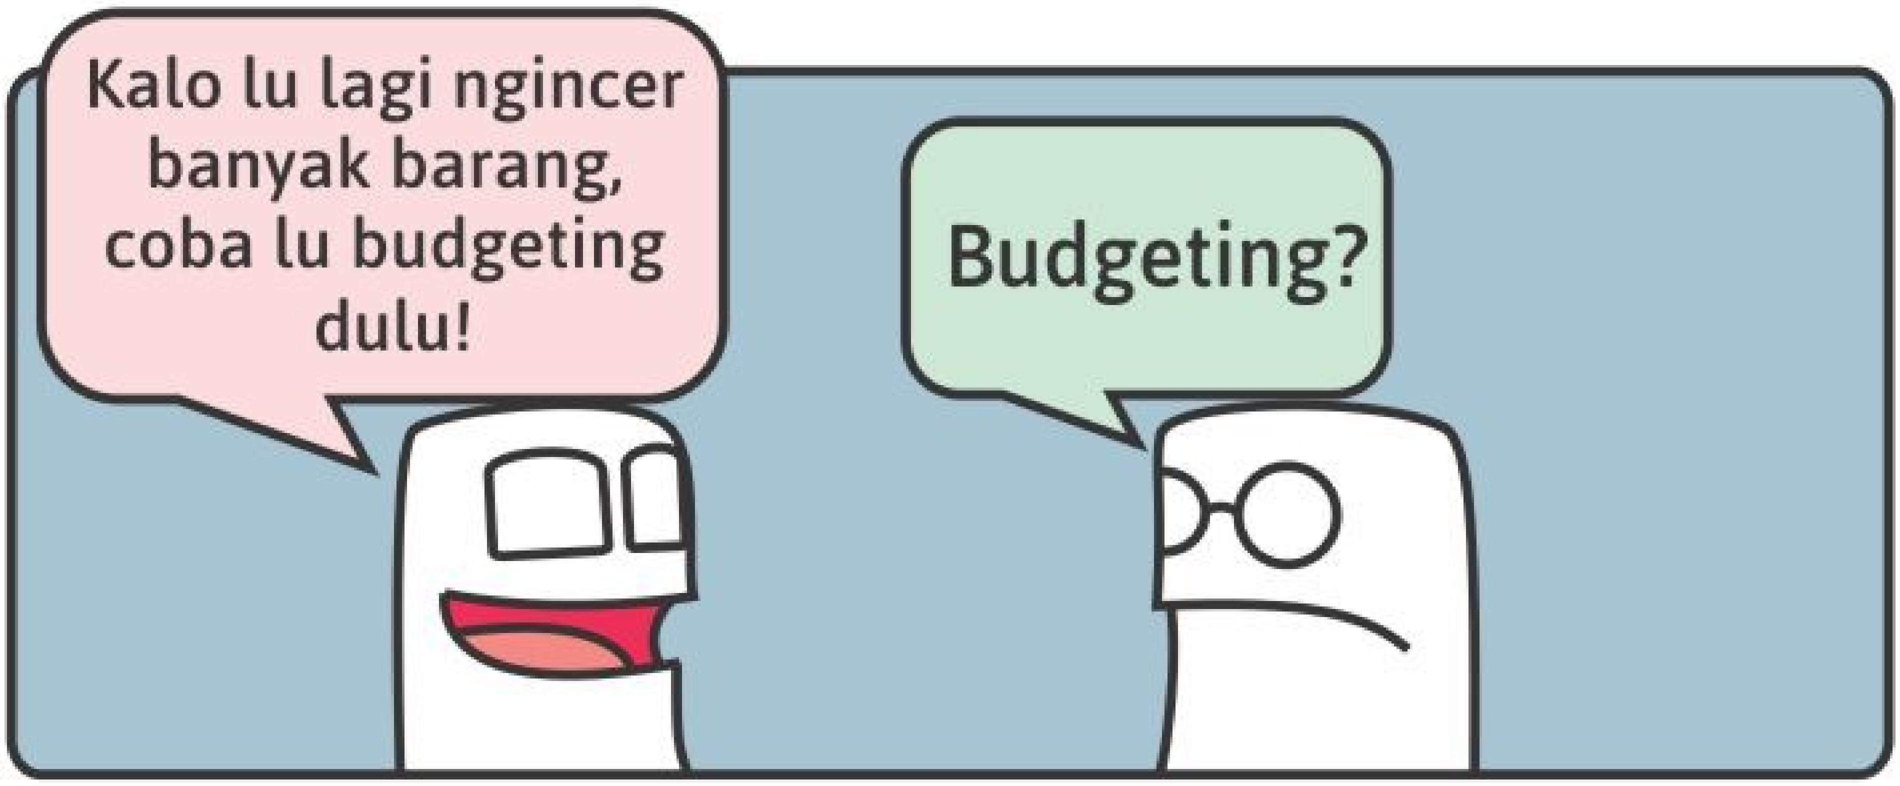
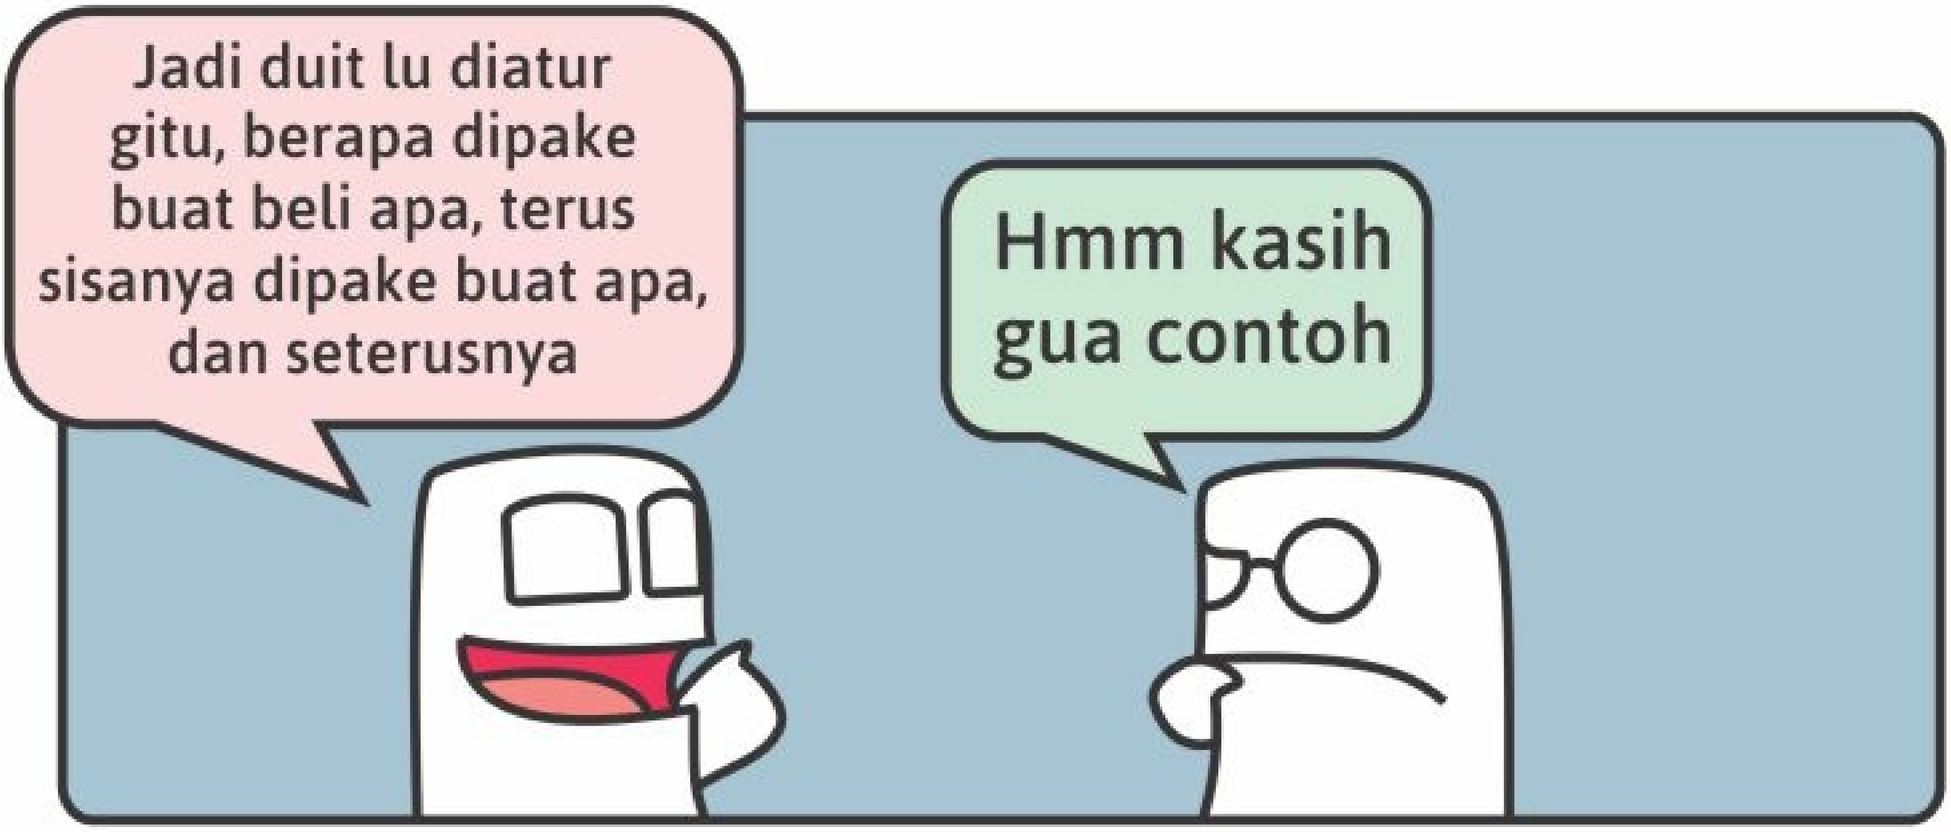
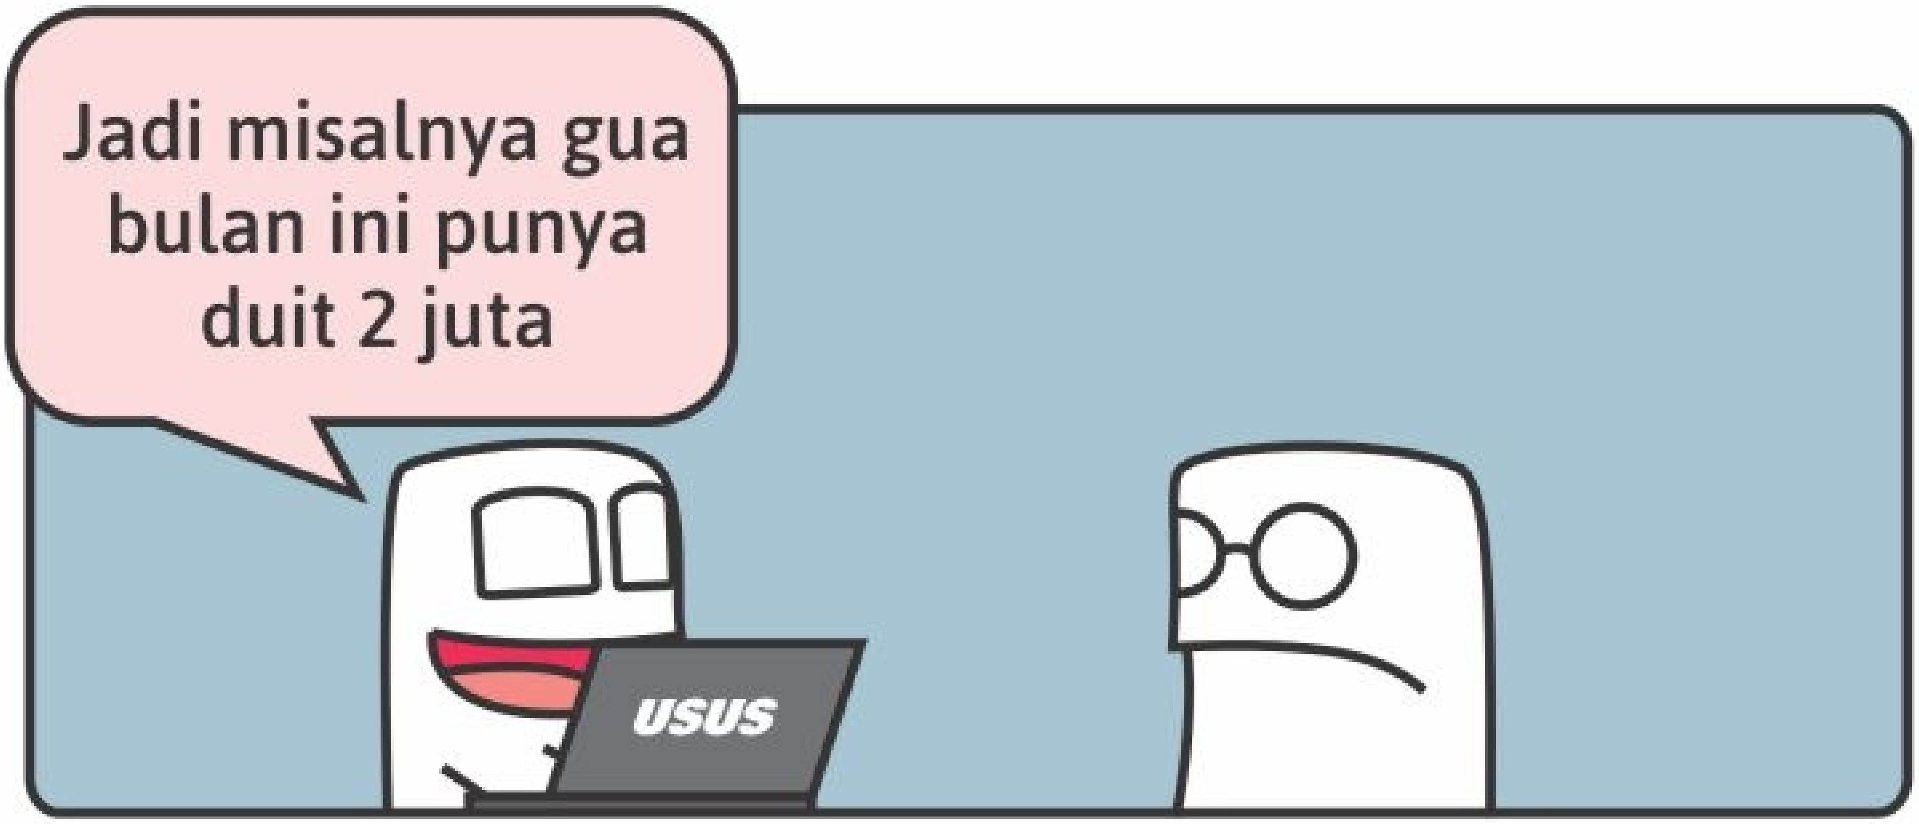
BUDGETING



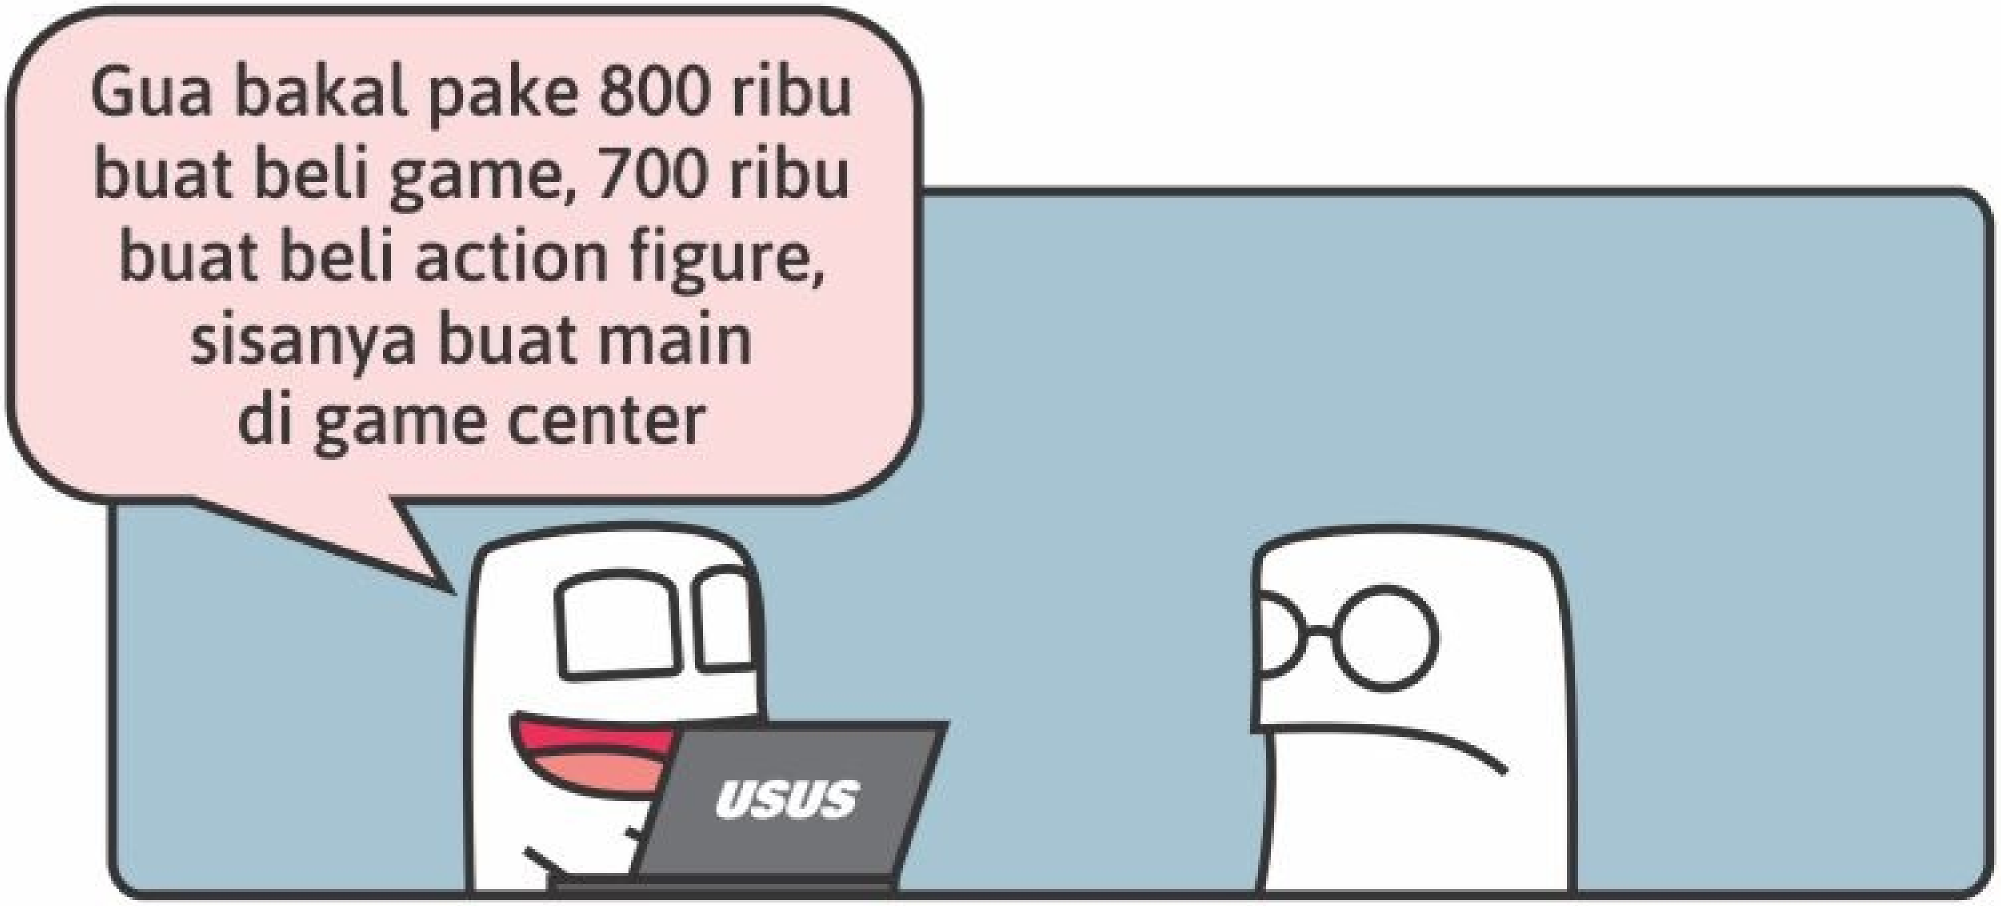
Kalo lu lagi ngincer banyak barang, coba lu budgeting dulu!
Budgeting?



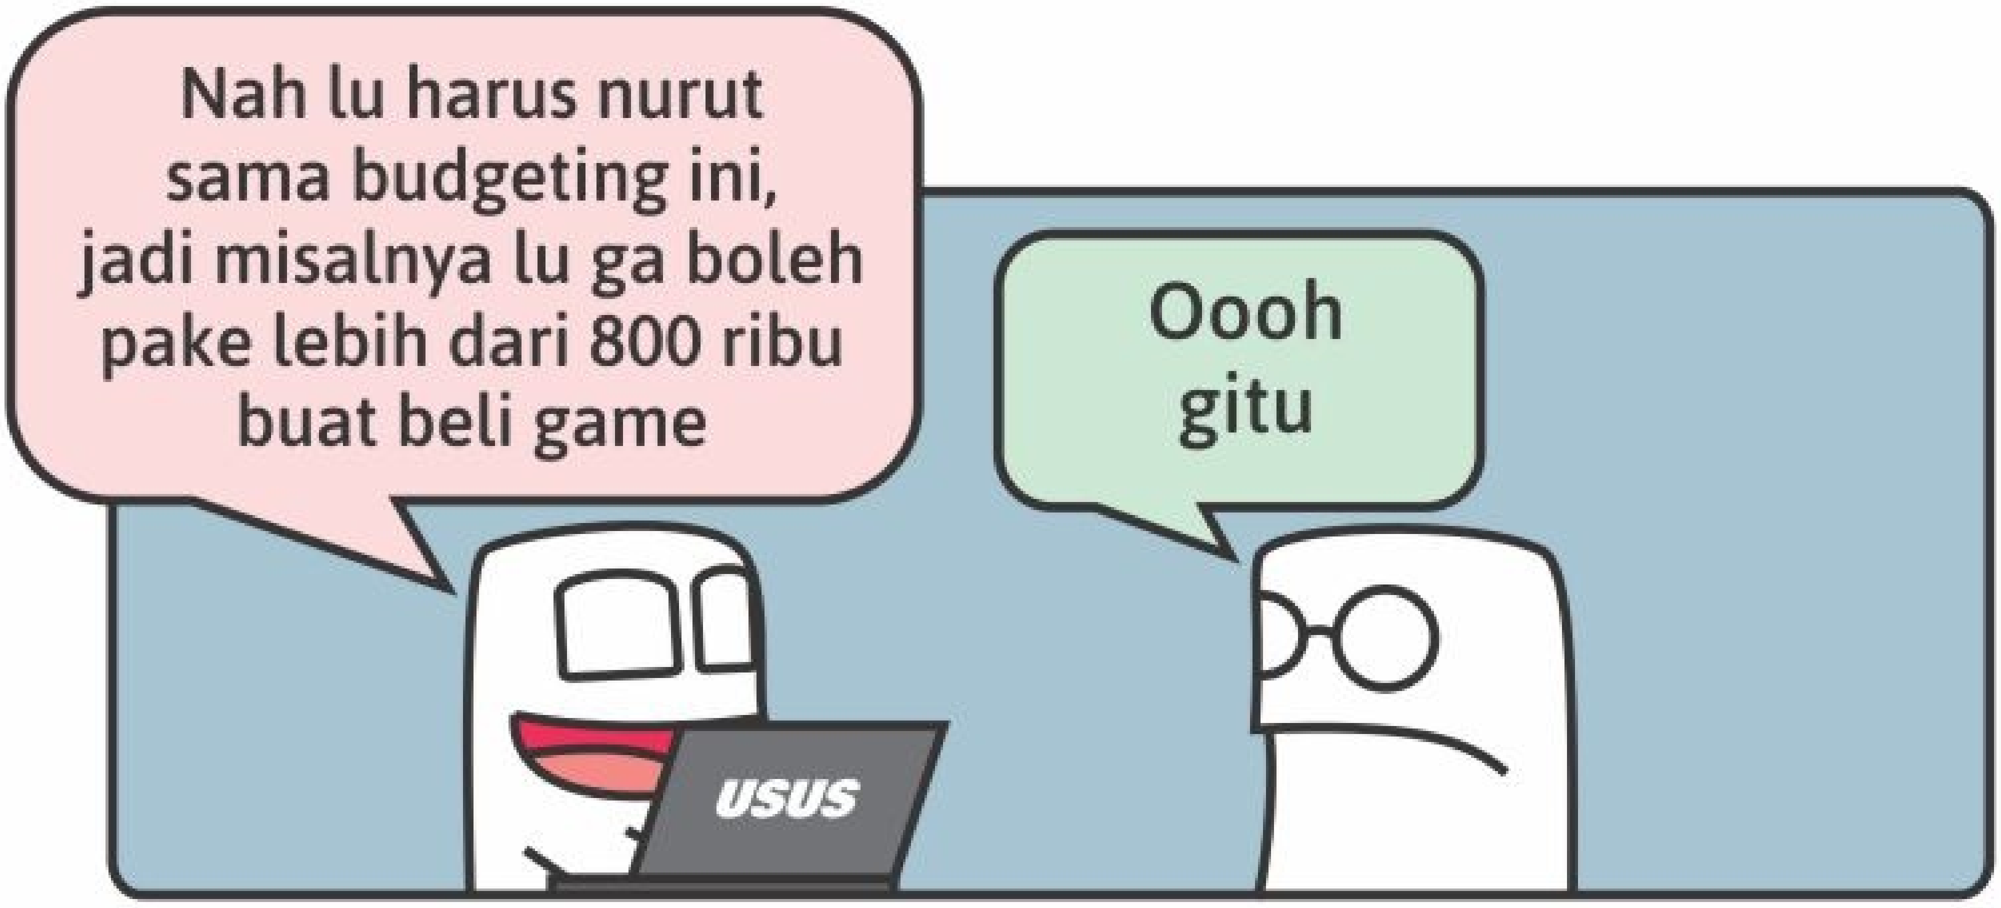
Jadi duit lu diatur gitu, berapa dipake buat beli apa, terus sisanya dipake buat apa, dan seterusnya
Hmm kasih gua contoh



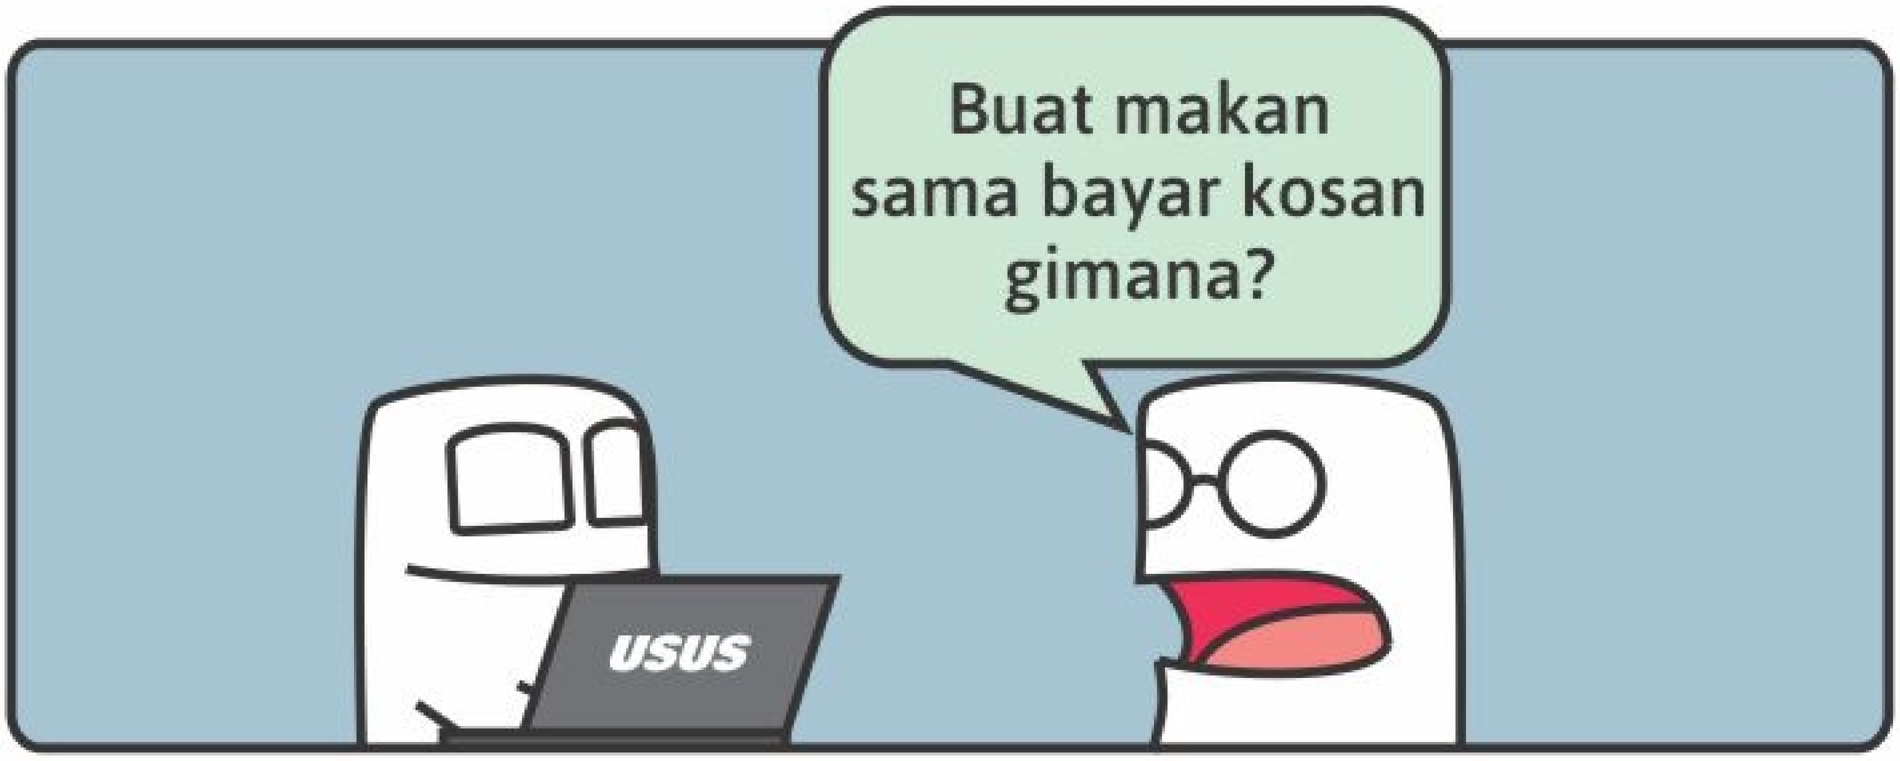
Jadi misalnya gua bulan ini punya duit 2 juta
USUS



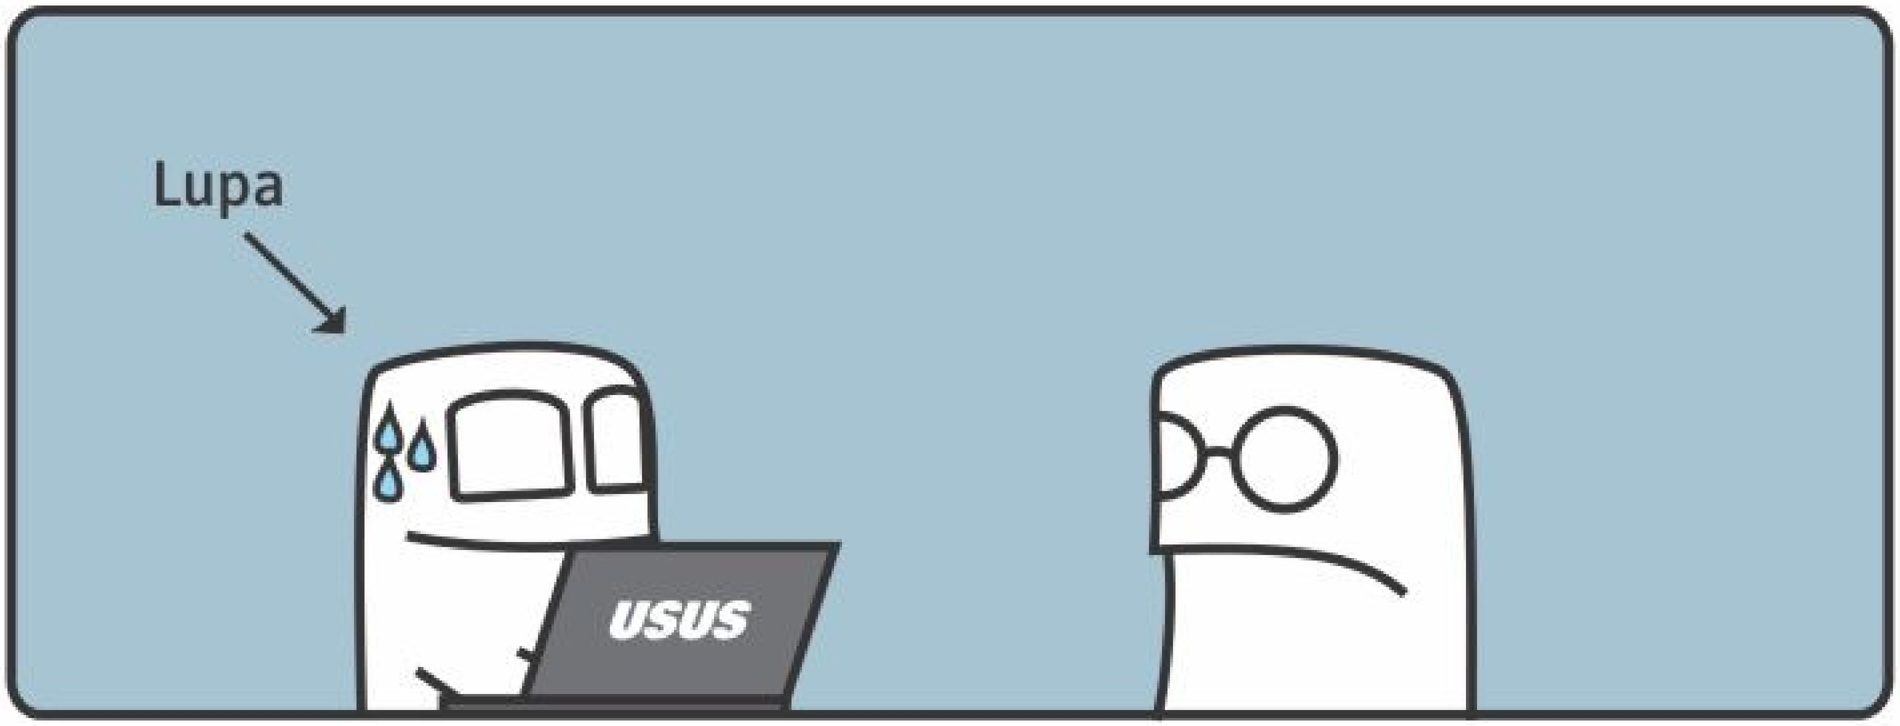
Gua bakal pake 800 ribu buat beli game, 700 ribu buat beli action figure, sisanya buat main di game center
USUS



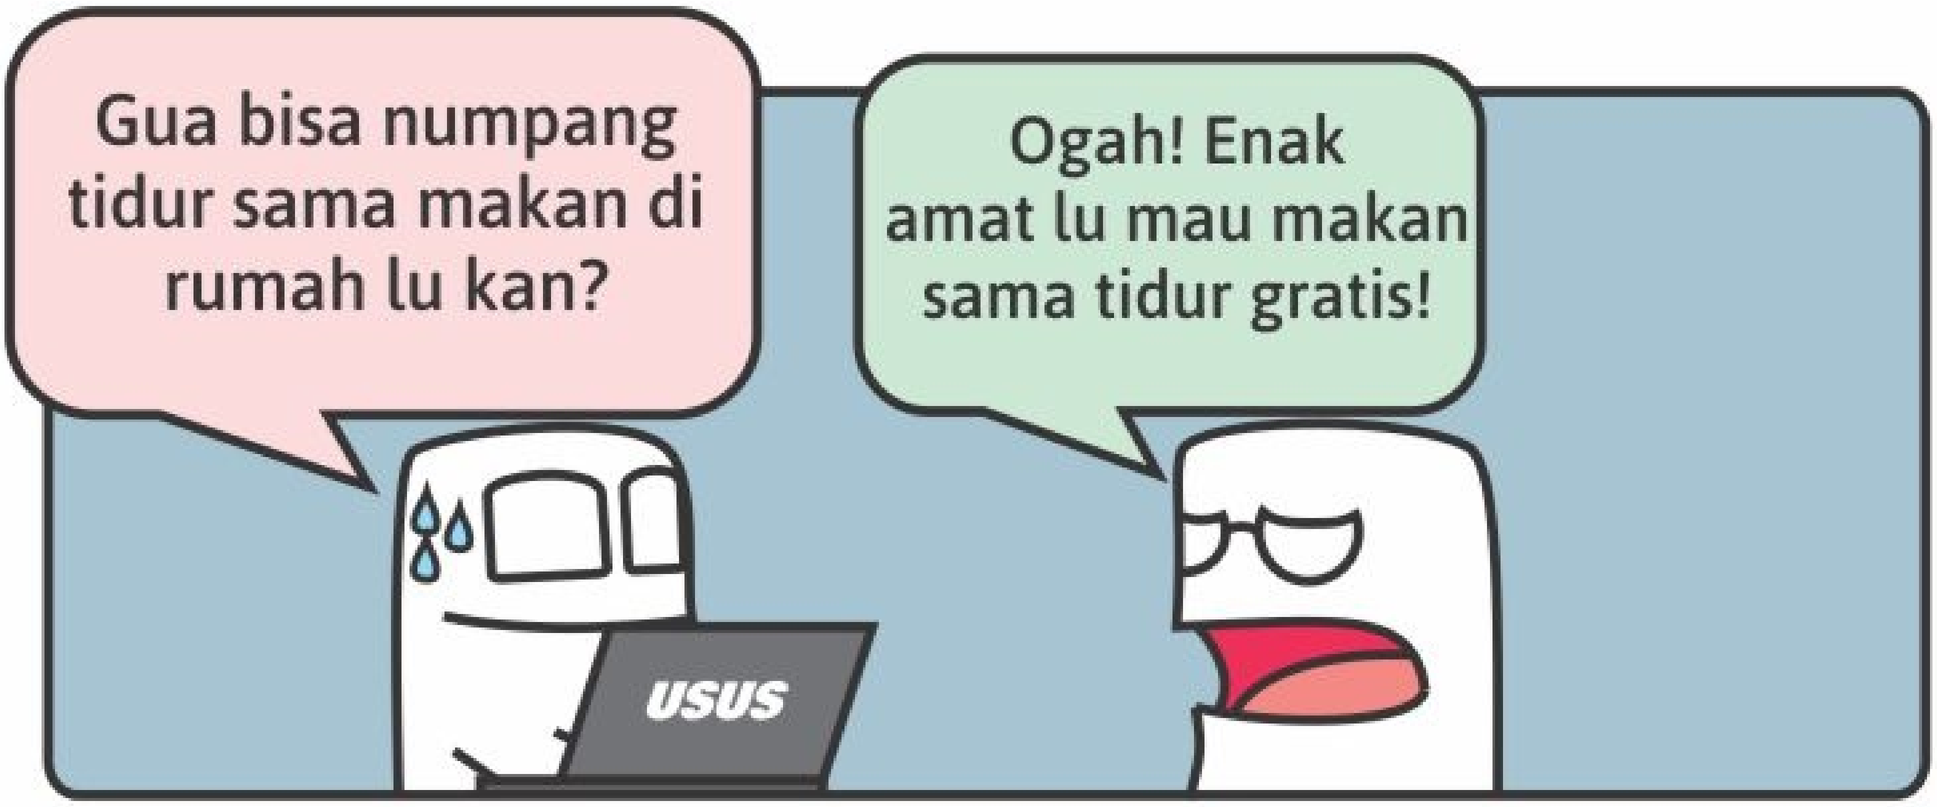
Nah lu harus nurut sama budgeting ini, jadi misalnya lu ga boleh pake lebih dari 800 ribu buat beli game
Oooh gitu
USUS



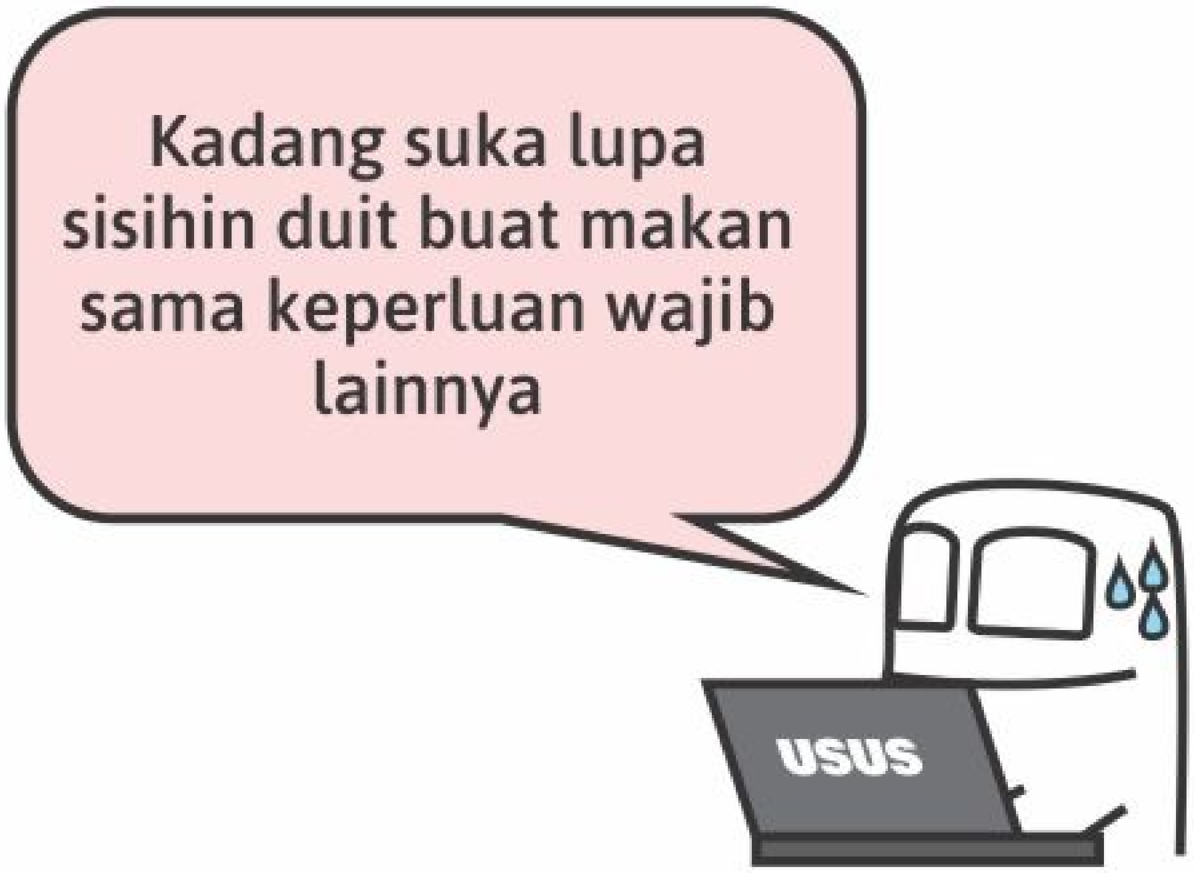
Buat makan sama bayar kosan gimana?
USUS



Lupa
USUS



Gua bisa numpang tidur sama makan di rumah lu kan?
Ogah! Enak amat lu mau makan sama tidur gratis!
USUS



Kadang suka lupa sisihin duit buat makan sama keperluan wajib lainnya
